

CLUBS

KS1 Athletics – is not running this Thursday
Next Week Year 6 will be in London for their residential so Handball and Stop Motion Animation clubs will not be running.

If you can help with sports clubs, please let the office know.

Violin Lessons will be on Wednesday this week instead of Tuesday.

Health Safety and Fitness Week

We have so much going on this week and we hope the children will enjoy learning in a variety of ways.

The annual lessons in drug and sex education will be delivered in the classrooms. These are from the well-known Christopher Winter scheme that we have been using for many years now. Each year develops from before. We like to warn you as the discussions and questions that may happen over the next week or two.

Census Day – Thursday 18 May 2017

We receive all our funding for the KS1 dinners based on the dinners taken on three days. Chartwells have a special meal on those days as a celebration and incentive. It would be really helpful, even if your child does not usually have a dinner on that day and they are in Reception, Year 1 or 2 that they have one booked. It is a silly system, but if they do not take it on that day we have no funding for all the others they take. This means that we have to take money out of the school budget to cover this instead of it being given from a different pot. Last year it cost us several thousand as not everybody who had meals did sign up. If your child does not like the menu on the day, sign up and provide an extra snack box for lunchtime as well.

PLEASE, PLEASE HELP BY BOOKING A DINNER ON THAT DAY, AND PASS THE MESSAGE ON AS NOT EVERYBODY READS THE NEWSLETTER

Census Day Menu:

1. Ham and Pineapple Pizza
 2. Vegetable Supreme Pizza
- with Full Salad Bar | Garlic and Herb Bread

School Games Event

Sports Day is on Wednesday and as outlined previously if it is dry, the whole school work in house groups all day. In the morning, they do the potted sports and the older children encourage and support the younger. Points are given for activity completion and sportsmanship.

In the afternoon we invite you for the traditional sports day where all children participate and we encourage everybody to support every child taking part. The children must stay with their houses and staff take them to take part in their races.

Points are awarded and the houses compete against each other. Team colours are:

Kinvig - Red

Brewer - Blue

Hawes – Yellow

Tamblyn - Green

The names of the houses relate to families and people from Landrake. I know Kinvig was a house introduced when an additional house was formed prior to my appointment. Miss Kinvig was a previous head teacher who had recently died. Brewer and Tamblyn are names of farming families who had supported the school over many generations and were formed many, many years before.

On Tuesday we have a health and safety rotation when children learn in their family groups and take part in 10 minute scenario and learning activities.

Other Sports Events

On Tuesday we have a rugby team going to Newquay, where we are representing the Caradon Area at the finals of this event. On Thursday we have children attending the Caradon Primary Summer Games, where they will participate in a wide variety of sports.

Coming Up

Immediately after half term we have two cricket teams competing at South East Cornwall Tournament and two going to the Plymouth Hockey Competition at Marjon.

Half Marathon Challenge

Apologies to Amos who was missed off the list, but also completed the challenge.

All over!

Well done to years two and six who worked really hard during SATS week. The tests as ever were a challenge, but we feel proud of the attitudes displayed and the way the children tackled the challenges throughout the week. Personally, I think many adults would have found some of the KS2 spellings and grammar tests quite tricky.

London

Next week Jackie, Mrs Cunningham, Izzy, Mr Walker and Mr Miller will be off to London. So much preparation has gone into organising this fantastic experience. Izzy undertakes so much of this and her attention to detail is great.

On the first night they will be hosted by the Ironmongers at Ironmongers Hall who once again will be providing a superb banquet following a beautiful service at St Paul's Cathedral.

Visits to the Museum of London, the Tower of London, the Natural History Museum, Montacute House and experiences such as seeing Lion King, a day sailing, kayaking and paddle boarding, the London Eye and the Thames Boat Trip are all on the agenda once again.

They will come back very tired but full of great memories.

Summer Fair – Thursday 15 June 3-5.30pm Poster Competition

Design an A4 poster to promote our fair in school and in the local area. Be sure to include the date and venue details! Prizes will be awarded for the best poster in each key stage.

The deadline for entries is Wednesday 17 May.

The theme for this year's summer fair is the Mad Hatter's Tea Party.

Smoking and Mobile Phones

Please could you refrain from using mobile phones and smoking e-Cigarettes on school grounds.

Brain Tumour Research Fundraiser – 19 May

We will be holding a mufti and hat day (£1 contribution per person) for this charity on **Friday 19 May**. There will be a **cake sale** and **coffee morning**, so everyone's invited – and if you're able to donate cakes for either the cake sale or the coffee morning, they would be greatly appreciated.

Internet Safety

Please be vigilant as it has come to our notice again, that children have been upset by each other outside school time playing games on the internet. Do get in the habit of checking the history as words are recorded. We have to unravel so many things that actually start outside school, but come in and cause problems and upset. I hope that the CAP workshops last week have reinforced all the internet safety we have also discussed. The most recent actions brought to our notice happened before the workshops.

Requests:

If you have any spare, old wellies that do not fit anyone anymore, please could we have them. Holey wellies would be perfect for plant pots for the summer fair.

If you are able to donate cakes, they would be greatly appreciated. We need donations of cakes for sports day on Wednesday and also for the Brain Tumour fundraiser and mufti day/ coffee morning on Friday.

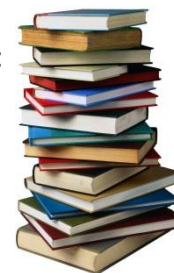

AWARDS

Art	William B
Be the best you can	Lauren G
Bookworm	Daniel B
Consistent Effort	Daisy I

Mon 26 June Y4 boys Cricket - Bude
Friday 14 July Speech Day
Saturday 15 July Summer Festival
Tuesday 25 July Year 6 Leavers Service

Uniform Shop is now on a Wednesday after school.

Cricket for 5-8 year olds

All Stars Cricket, a brand new initiative from the England and Wales Cricket board aimed at providing children aged five to eight with a great first experience in cricket. The programme is delivered across Cornwall at 29 fully accredited All Stars Cricket centres. It is a fun and active way to develop your child's skills, and through our eight-week programme they will learn lots – as well as make new friends – in a safe and inclusive environment.

All girls and boys are welcome, and each registered child will receive a pack of cricket goodies including a cricket bat, ball, backpack, water bottle, personalised shirt and cap to keep so that they can continue their love of cricket when they go home.

The nearest course to here is:

Tideford Cricket Club

Mondays 4.30 – 5.30pm

£40 for an 8 week programme

22 May – 10 July

To register, go to: www.allstarscricket.co.uk

SCHOOL WORD OF THE WEEK

Innocuous

This is a formal word meaning not dangerous. You can use a simpler expression such as **harmless, not harmful** or **safe** according to the context:

- The substance looked **innocuous**, but it was extremely poisonous.
- The substance looked **harmless**, but it was extremely poisonous.

Philippians 4:13

I can do everything through Him who gives me strength.

Solar Meter Reading this week: 56,285 kWh
