

**Remember: Monday 5 June is Inset Day**

**CLUBS**

**Handball** and **Stop Motion Animation** will not be running this week, as staff in London with Y6 **Stop Motion Animation** will also not take place on Tuesday 6<sup>th</sup> June.

**Sports Day**

New date Thursday 22 June - please pray for sunshine, the diary is so full!

**Sporting Success**

Congratulations to all the children who represented us at the Cornwall Caradon Games – qualifiers for the Cornwall Youth Games. We were one of two schools who entered everything!

We came first in:

- Basketball
- Year 5/6 Badminton
- Year 3/4 Badminton
- Year 3/4 Tennis
- Golf

We have already qualified with our netball team, who undertook many tournaments. We will now be taking a coach to the games.

**Another amazing success**

Archie T's piece of writing that was a winner at the Area Rotary Writers Competition has now been selected to go forward to the National Rotary Young Writers Award. Well done Archie.

**Text messages**

We sent a text out to everyone last Tuesday to say that Sports Day had been cancelled – if you did not receive a text, please let the office know.

We are going to be starting to use the text service more from now on, please be aware that when you see a text from 'Parentpay', it is from us.

**Careers Day**

We would like to run a careers day so that children are fully aware of the many different roles that they may choose from in the future. We would like as many people to come and talk about their jobs, past or present, and also share with children the skills they need to be able to do the job. We hope that this will inspire the children, as well as give them information. I know some people have already pledged their support, but unfortunately we will need to change the date to Monday 19 June. Please give information to office if you can help.

**Fundraiser for the Brain Tumour Charity**

Thank you to all who donated delicious treats for our cake sale and also for the coffee morning. Altogether, with the mufti money, we have so far raised: £359.68

**Accelerated Reader**

As a school, we have read 4,680 books this year so far.

Based on quizzes passed, as a school this year, we have read a total word count of:

**61,950,343 words**

**\*Challenge: - as a whole school, can we reach 100,000,000 words?**

**Requests:**

Summer Fair – Thursday 15 June

Please could we have prizes for the **tombola** and also **books** for the book stall at the fair – don't forget to bring in any old unwanted **wellies** too. Thank you.

Landrake Carnival – Saturday 1 July

The school is having a walking float for the carnival this year – the theme is traditional Ugandan dress.

**Skipping Club – KS2**

After half term we will be starting a new club, Skipping Club which will be on a Thursday at 3.30. If your child wishes to take part, please complete the tear-off slip at the bottom of the newsletter and post in the red post box near the office.

Solar Meter Reading this week: 56,457 kWh

## Junior Ten Tors

The team for the Junior Ten Tors went for their first big walk together on Saturday to Western Beacon.

## Singing and Piano Concert

Calling all singers!

Our next concert is on Thursday 29 June.

Boys Singing: Tuesday lunchtime 12.30

Girls Singing: Thursday lunchtime 12.30

Remember – we always pick a couple of songs from the concert for speech day too.

Looking forward to seeing you!

Mrs Suckling

## Polite Reminder:

Can parents please settle piano and singing bills by the end of the week. The last invoice of the year will be invoiced after half term. Thank you

## SCHOOL WORD OF THE WEEK

### scary

This is an informal word meaning causing someone to be scared. It can be replaced by the word **frightening**:

- The child said that she found the film **scary**.
- The child said that she found the film **frightening**.

**Cornwall S.P.A.C.E**

Jasper’s dad Adam, and his colleague Chris Pass, are currently cycling 444 miles around the coast of Brittany in four days to raise money for Cornwall SPACE (part of Action for Children). Cornwall SPACE work to ensure that as many disabled children as possible can access the same experiences and opportunities as their non-disabled peers. Chris’s children Holly (age 9) and son Isaac (age 4) suffer from a very rare genetic disorder called GAMT Deficiency, and the work of Cornwall SPACE has made a huge difference for them and many other children.

If you’d like to sponsor Adam and Chris, or to find out more, please go to

<http://uk.virginmoneygiving.come/tourdebrittany>

You can follow their progress during the ride at <facebook.com/tourdebrittany>.

**Years 4/5 Saltash.net Information Evening**
