**Sunshine**

It is great to see the sun appearing as it makes everyone feel so much better. Do make sure your child has suntan lotion and a hat when the weather is hot as we are encouraging outside play whenever possible.

**School Uniform** – can also be ordered online from both Wovina and Tesco.

Solar Meter Reading this week: 63,734 kW

**Thursday Drama Club**

On a Thursday after school, I will be running a KS2 drama club for all those who wish to learn or improve their acting skills. We will look at all the main areas of acting, from script work to working on random, funny, improv scenes.

As it's the first time this club is running, for the first couple of weeks there will be lots of different activities and games. Then, with the feedback from the children, as a group we will decide what our final piece will be. I know that this school has many talented performers and would love to see all their different talents. If your child would like to come along, please let the school office know as soon as possible.  
Caitlin Jones (TA).

**Barton Hall**

This week there are some changes due to staff accompanying Year 5 children to the trip. It would be good for them to enjoy a drier week. Daily updates on what and how the children are getting on will be posted on the website, once received.

**Attendance**

If you want an up to date record of the attendance figures we have for your child/ren, do ask in the office. Attendance is good if over 95%. It is considered poor between 90-95% and a real concern under 90%. Hopefully with the summer coming we will see the figures rising for any children who are not over 95% at present.

**Congratulations**

Congratulations to Mrs Clark and her husband on the birth of their son, Charles, who was born on Easter Sunday. By all accounts he is a beautiful little boy and mum and Charles are doing well.

**Landrake – past and present**

Come and have a look at the old photos in the waiting room. You may have relatives who attended the school in the past. Trish has displayed the old photos and registers sent to us recently by Mr Scales.

### Big Dig

Thank you to all who came and achieved so much in a short period of time yesterday. Thank you to Mrs Hewer who provided forest school activities for the children as well.

Many hands make light work...

- A tonne of sand was transported to the sandpit by the growing area
- The tyres were weeded and planted
- Raised beds were dug and weeded
- Compost was dug and taken down
- The bark was moved by the trim trail
- Forest school activities were enjoyed

Thank you to:

### Use of Trim Trail

After school, if your child is supervised, they may stay and play. Please make sure that the equipment is used properly and no unacceptable behaviour remains unchecked.

Children must be watched on monkey bars and travel across in the same direction. They must not climb on the tunnel by the green slide. All children know what they are allowed to do, but last week they were being too creative after school. We like to encourage physical activity but it needs to be safe.

### GPDR

You may have read about the new laws and guidance and as a school, we will be putting information on our website for you and will send you our policy. We obviously need to hold data and do share certain information that is requested by the Department of Education, etc. Over the next few months, we will publish and inform you so you are fully aware. Debbie, as you can imagine, has been brilliant at attending information sessions and sharing the information in preparation for the implementation of the new law on May 25<sup>th</sup>. The governors are fully aware of the requirements and their responsibility.

# Friends of SRG

Dear parents, grandparents and friends,

We would like to say how grateful we are for all that you do to help support the extra events we hold within this amazing school. Last term, we supported the famous Landrake run involving children and families from many surrounding schools, supported refreshments for busy parents at parents' evenings, plus we had our first Easter fair which, despite some rain, children were able to participate in the Easter hunt whilst fantastic stalls were available to browse. Without the extra help from you, we would not be able to run and support these events. All funds raised are used within the school to help fund extra resources and opportunities for our children.

This term coming up we have our amazing summer fair, school disco, film night and café area for Sports Day. When these events are coming up, please volunteer as much as you are able, whether that is being able to give some of your time or donations of cakes. There will always be a volunteer sheet on the Friends notice board prior to an event.

For those of you that are unable to volunteer in these ways, please consider joining our fabulous 100 Club to support this school and the children from a far. From as little as £2 per month with 5 monthly winners, you can increase your luck this term whilst supporting school opportunities. To join 100 Club, please ask Tamsin Booth, Laura O'Keeffe or the school office for an application form.

Plus we also have new and pre-loved school uniforms available for anyone to purchase.

In advance, we would like again to give our thanks. If you have any ideas for school fundraising or would like to come to join the school friends committee, please come along to one of our meetings where we share and discuss ideas.

We look forward to working together with everyone who wants the best for our school and children. If you have any questions, please ask the school office who will be able to direct you to the best person to talk to.

Thank you.

## **School Fair: Friday 22 June 2.30 – 5pm**

The Friends need volunteers for a variety of jobs on the day (such as manning a stall/doing temporary tattoos, etc.). If you can spare even just half an hour, we would be so grateful. Please pop your name down on the Friends notice board (located in the waiting room).

## **Film Night: Wednesday 9 May 3.45 – 5.30pm**

The school have organised a film night for the children to enjoy. The Friends are providing refreshments. A packed tea will contain a sandwich, packet of crisps, vegetable sticks, a piece of fruit and a cup drink. If you have any special dietary requirements, do let us know. The cost for this is £2 – please complete the slip below and put in the red box in an envelope with your payment.

## **Ready Steady Read**

Our Ready Steady Read sponsored event launched today – please help us to raise the profile of reading and to receive £1,000 worth of books for the children to enjoy by taking part. Thank you for your support.

## PlayPod

Thank you to those who stayed and played last week. The sun shone and the PlayPod equipment was well used. The children's feedback during learning forums and discussions has been great.

- ★ They are gaining from active lay times
- ★ They like playing with different children
- ★ They feel that collaboration and discussion is developed
- ★ They say they learn to manage risk!!
- ★ They see it as a way of developing creativity and their imaginations
- ★ They really like den building, play fighting, creating vehicles, pulling each other in crates, using the phones and role play, playing with tyres, etc.
- ★ They want to be outside and not inside
- ★ They always have something to do
- ★ They learn to use and recycle items

It is good to report that clearing up time has also become quicker. We will have another stay and play later this term if you would like to come and enjoy playing. Our new play policy will be published on the website as soon as it has been approved.

## Have your say!

### Special Educational Needs and Disabilities (SEND) provision in Cornwall

Cornwall Council have created an online survey as they want to get an up to date summary of people's views and measure change.

There are two types of survey:

- One for parents, carers, families and practitioners working with children and young people with SEND

Visit: [www.cornwall.gov.uk/send](http://www.cornwall.gov.uk/send)
