

Clubs

Clubs start on Monday 17 September.
Please make a note of the clubs you request.

Summer Learning Exhibition

If summer learning hasn't been brought in today, please ensure it's in school tomorrow morning for the homework exhibition on Thursday 13 September at 3pm.

Sporting and interest information

Over the year we enter many different events and try to make sure that as many children get opportunities as possible. Sometimes we ask the children about their interests outside school so we can put children into appropriate teams. Sometimes we do not know about a child's interests or talents if they have not brought in awards or shared their experiences with the appropriate staff.

Please find a short questionnaire at the end of this newsletter so we can put a database together that can be used.

Music Lessons

Guitar lessons start tomorrow
Violin will start next Tuesday 18 September.

If you would like your child to take up an instrument, we have peripatetic music teachers from the Cornwall Music Service Trust coming in to school to teach a variety of instruments. Steve teaches clarinet, flute and now the saxophone too
Nicki teaches violin
Clive teaches guitar
David will be teaching individual brass
Mrs Suckling teaches piano and singing
Mr Hambly will be teaching drums and also the year 4 brass lessons.

If you would like your child to start learning one of these instruments, please ask in the office.

Whole School Word Count

As a school, this year to date, we have read:

7,495,563 words and 233 books

Our KS2 (yrs 3-6) delivery this year

As we are keen to promote music and know that the children will gain so much from Mr Hambly, we are going to be delivering our subject specialisms in a different way.

Monday and Tuesday

KS2 children will do:

Outdoor learning with Mr Crudge

Music with Mr Hambly

Computing with Miss Appleby

PE with Mr Arundell

Wednesday and Thursday

Over the four weeks they will spend two consecutive afternoons with:

Mrs Cunningham doing science

Miss Appleby doing RE

Mr Crudge doing humanities

Mr Arundell learning French and PHSME

We are excited to be delivering really cross curricular approach with different learning experiences.

Some changes will be made when trips and visits happen eg. computing using sphero balls this half term. They will spend a whole afternoon on the other area and then swap over.

This terms topics are:

KS1 - Once Upon a Time until half term

KS2 - Dartmoor up until half term

WW1 across the school after half term.

Book school places

Please do make sure that anybody with a child due to start school next year applies for a school place. The round is now open. Pre-school children on roll will not fill our places, so there will be opportunities for others. If you know of people who would be interested, then do get them to call and come to visit SRG. Unusually there are also places available at pre-school, so if you know of children from 2 who would like the opportunity do get them to ring and speak to Sarah.

Residentials

KS2 Dartmoor Trip

On the week beginning 24 September each class will be spending two days on Dartmoor.

They will meet the centre staff at Cadover and walk to Shaugh Bridge. During this walk they will see the stone circles and learn about the history of Dartmoor. They will visit the tors and learn about the geographical features. When they arrive at their residential base, they are using the outdoor cooker to make cakes and then settling into rooms. After tea they will go on a walk and enjoy evening activities before hot chocolate and stories before bed.

The next day they will do team building activities and a gorge walk before returning to school. We will be using the minibus and have hired a second one for the week as well.

At £35 I think the trip is amazing value for money and will be good for team building and the developing of relationships as well as learning.

Barton Hall

Year 5 will be spending a week at Barton Hall during the week of 29 April to 3 May 2019.

London

Year 6 will be spending a week in London during the week of 17 – 21 June 2019.

Roles and Responsibilities

This year it was very difficult to make a decision about roles as there were so many children who have stood out for the right reasons over the years. This week we will be having our House Captains and other roles appointed, so all children can use their specific talents and develop leadership skills.

However we at this point congratulate the following who have been appointed following a whole staff discussion.

Head Girls: Rose and Lily Couch

Head Boy: James Hall

School Games Captain: Rosie Spry

Eco & Farm Committee Chair: Leila Cunningham

Deputy Head girls: Katie Cunningham and
Dulcie Neeves

Deputy Head boys: Archie Watt and
Owen Gurney

E SAFETY RULES – KS1

This is how we stay safe when we use computers:

- I will ask a teacher or suitable adult if I want to use the computers or iPads
- I will only use activities that a teacher or suitable adult has told or allowed me to use
- I will take care of the computer and other equipment
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong
- I will tell a teacher or suitable adult if I see something that upsets me on the screen
- I know that if I break the rules I might not be allowed to use a computer / tablet

E SAFETY RULES

This is how we stay safe on line:

- I will only use the internet when there is a teacher present.
- I will always ask for permission before accessing the internet/Email.
- I will only use my own usernames and passwords to log on to the system/Email and keep them secret.
- I will not access other people's files.
- I will only Email people I know or my teacher has approved, and ensure that the messages that I send will be polite and responsible.
- I understand that the use of strong language, swearing or aggressive behaviour is not allowed when using Email etc.
- I will not give personal details (like my home address, telephone or mobile number), or the personal details of any other person to anyone, or arrange to meet someone unless my parent/carer or teacher has given me permission.
- I will only download, use or upload material when I have been given the owner's permission.
- I will only view, download, store or upload material that is lawful, and appropriate for other users. If I am not sure about this, or come across any potentially offensive materials, I will use the 'Hector Protector' button and inform my class teacher straight away.
- I will avoid any acts of vandalism. This includes, but is not limited to, uploading or creating computer viruses and mischievously deleting or altering data from its place of storage.
- Always quote the source of any information gained from the internet i.e. the web address, in the documents you produce.
- Use the internet for research and school purposes only.
- I will not bring in memory sticks or CD-Roms from home to use in school unless I have been given permission by my class teacher.
- I understand that the school may check my computer files/Emails and may monitor the internet sites that I visit.
- I understand that if I don't follow these rules, my access to the school computer system/internet/Email may be suspended, and my parents/carers will be informed.
