Sports News

Netball Finals: 3 April

After our victorious triumph at our last match, we came into this competition with a strong start. We started off by first practising and getting used to the court. Our first game was against St Breock and we came out with a brilliant 3-0 to us. Our second game was against St Teath and the result was 2-1 to them. Although we had a minor setback in the last game, we were triumphant against Stratton, winning 5-0. The fourth game vs Stoke Climsland we won 6-3 (even though Sarel's knees, Isa's mouth and Ellie's finger took some damage!). When the results came in, we were excited to hear that we made it into the semi-finals, the match was a little unfair due to refereeing decisions, and we lost 3-2. We did not make the final but came home with smiling faces and 3rd place.

**St. Michael's Landrake 750 Anniversary
750 Anniversary**

Thank you to all who attended the 750th Anniversary Service. We received the letter below from Rev Cathy. The school is in the heart of the village and to support the Church and Community is important.

The song that Mr Hambly created with the children for the occasion was appreciated by all and the children sang really well.

Thank you also to Trish who made an amazing cake for the occasion and the Worshipful Company of Ironmongers funded the buffet. Finally thank you to the many staff who came and supervised and supported the children.

Encouraging Independence

We are encouraging all children to become independent and to take responsibility for their possessions and organisation. Everyone can help by encouraging children to be in their classroom by 8.50 but allowing time to put their bags away and take their possessions into the classroom. This term it would be good to see Years 4, 5 and 6 going to their classrooms by themselves.

Menu Change: Tuesday 30 April

1. Spaghetti and Meatballs
2. Veggie Lasagne
3. Jacket Potato

Letter from Revd Cathy Sigrist

On behalf of St. Michael's PCC I would just like to say a huge thank you to you, the staff and the pupils for making today's anniversary service at St. Michael's so very special – from the display in St. Michael's to the Anniversary cake – and of course, the choir.

The children sang beautifully; the 750th Anniversary Song was truly amazing and we are very grateful to Mr Hambly for his dedication in leading the choir. The childrens' behaviour was exemplary and they are all a credit to themselves and the school – please do pass on my thanks and congratulations to them all.

We would also like to thank The Ironmongers for their generous contribution for the refreshments after the service.

As a number of people commented after the service, "the children made it". You must, quite deservedly, be very proud of all the staff and children and our grateful thanks goes to all involved in making it a day to remember.

Parent and Toddler Group

We hold our Parent and Toddler Group every Wednesday at 2pm - 3.15pm during term time in the school hall.

For more information please ask Susan Green.

School Playground out of school hours

If you use our school playground out of school hours, please ensure that you close and lock the gate when you leave. Thank you.

Sentences of the Week

The gates to the long, sweeping drive were flanked with statues of enormous stone lions.

Bushes crept and wriggled over the drive, which was now just a thin strip steeped in shadow.
