Sports Update

What a week of sport it has been at SRG!

Last Wednesday we took the Year 5&6 Bowling team to the Cornwall School Games Bowls semi-finals at Launceston Bowling Club. After attending 6 weekly practice sessions at Saltash Bowling Club, the children were very excited to participate in the event. We were exceptionally lucky to have both beautiful sunshine and a fantastic set of results! Team A (Kamora, Gracie, Chloe, Ruby, Leila and William) achieved 2nd place, winning two out of three games, while Team B (Tilly, Megan, Ollie, George, Amos and Caitlin) were placed in 4th position with some equally excellent bowls.

Sports Day

The sun shone and the whole day went smoothly. Thank you for coming to support the event and to encourage the children in their races.

Taking Responsibility, becoming independent

We would like to make sure that this term we encourage all children become more independent and responsible for their own possessions.

Please can you support this by:

- Making sure that they only bring to school what they really need
- Please do not provide them with expensive pencil cases for school
- From Year 4 please let them walk up to the classroom by themselves
- Make sure they have their reading books, reading records and homework in a book bag that will be taken into class
- Reminding children that they should not come in the main entrance they should come in past the uniform shop or the slope at the back of school

Teaching and Learning

We need every class to have registered and be ready for maths at 8.55am.

Children should be coming in by 8.45am - doors open at 8.35am.

If you need to speak to a teacher please make sure you come in early or ask in office to see them after school. We want lessons to start promptly so registers need to be taken on time.

We have a busy week this week...

- Bikeability for years 5/6
- Hockey tournament
- Junior Ten Tors competition
- The Dogs Trust delivering Dog Safety workshops
- Spa Dental delivering teeth cleaning workshops

Year 6 London Residential

Please ensure all Consent and Medical forms are returned ASAP and that any outstanding balances are settled in full. Thank you.

Message from Simon Dowell

(father of Sophie and Jamie)

I am cycling from Land's End to Bristol as part of the Wallace and Gromit Grand Appeal, in support of Bristol Children's Hospital.

The hospital does fantastic work transforming the lives of sick children from Bristol, the South West and beyond.

Any support you can provide for this amazing charity would be much appreciated.

(charity registration no. 1043603)
